

# Resources for Undergraduate Public Health Education

## Reports, Policy Statements, Guides, Curricular Materials, and Accreditation

- Association of Schools and Programs of Public Health (ASPPH) has developed Undergraduate Public Health Learning Outcomes designed for all undergraduates at 2-year and 4-year colleges. The Critical Components Elements of an Undergraduate Major in Public Health, developed by ASPPH, have been incorporated into CEPH accreditation criteria. Available at: [www.aspph.org/teach-research/models/undergraduate-learning-outcomes/](http://www.aspph.org/teach-research/models/undergraduate-learning-outcomes/)
- AAC&U Recommendations for Undergraduate Public Health Education: Core curriculum for 4-year and 2-year colleges available at <http://go.jblearning.com/AACU>
- American Public Health Association- Integration of Core Public Health Education into Undergraduate Curricula Policy Statement 200915. Available at <http://go.jblearning.com/aphapolicy200915>
- Ten Things to Know When Starting an Undergraduate Public Health Program designed for both institutions with and without graduate degree programs in public health. Available at <http://www.aspph.org/educate/#tools>
- Council on Education for Public Health, accreditation for baccalaureate programs in Schools and Programs of Public Health as well as “standalone” programs for colleges without graduate public health education. Available at [www.ceph.org](http://www.ceph.org)

- National Public Health Week (NPHW) 2019 webinar This is Public Health Education: Helping Your Students become Part of It, sponsored by ASPPH, SOPHE and the League [www.aspph.org/event/aspph-presents-webinar-this-is-public-health-education-helping-your-students-become-part-of-it/](http://www.aspph.org/event/aspph-presents-webinar-this-is-public-health-education-helping-your-students-become-part-of-it/)
- NPHW webinar Pathways to Public Health, April 9, 2020 at 2:00 EDT register at [www.aspph.org](http://www.aspph.org)

## Educated Citizen and Public Health Listserv

The Educated Citizen and Public Health listserv with over 400 members is designed to promote communication among all those who are active in the emerging interdisciplinary field of public health study for undergraduates. To sign up for the Educated Citizen and Public Health listserv go to <http://list.aacu.org/mailman/listinfo/ecph>

## ASPPH Undergraduate Public Health and Global Health Network

Open to institutions offering or developing bachelor's degree programs in public health, global health or related fields. The Network publishes a newsletter and holds twice a year meetings at the APHA and the ASPPH annual meetings. ASPPH sponsors a one-day Undergraduate Public Health and Global Health Summit on the first day of its annual meeting in March. For more information go to [www.aspph.org/connect/undergraduate-network/](http://www.aspph.org/connect/undergraduate-network/)
